4.0 **Manager Report**

1. New health orders came into effect at midnight last night restricting dining indoors until April 19. In response we have set up tables on the front entrance and updated both the 9th End Café and CCC Facebook pages.

2. The 9th End Cafe will be doing a Take and Bake Pick up meal for Easter and have promoted it with a Facebook Ad.

3. Inventories will be done for year end next month in the proshop and bar will be done April 30 at Fiscal Year End.

4. Orders for the pro shop will be kept to a minimum for the fall anticipating some good sales at Christmas and at the end of next season. The Pro stock needed to be brought down so timing is good.

5. We will continue to follow Health Orders and as they ease we will look at events that can be run to generate some revenue.

6. Rentals- We have 4 days of mandatory training with 35-40 people from the RCMP booked at the end of March/beginning of April that we will also be catering for. They have asked about availability for the end of May with groups of up to 70. I have not had any more cancellations of events booked for the lounge this summer as of yet, but I do expect them to start cancelling soon.

7. Covid Credits donated back to the club to date are

- Day Leagues=\$9853.54

- Night Leagues=-\$11,237.80

- Total donated with GST=22145.91

- Credit owed=53330.50
