2. **Length:** All games will be 8 ends or until the bell – whichever comes first. The bell will ring 1 hour and 40 minutes after the official start time and teams will finish the end being played plus 1 additional end. **The bell will ring 2 hours after the official start for the semi-final or final games.**
3. **Tie games after the completion of 8 ends:** Tie games will be decided by playing an additional end(s) until a winner is determined. Please, for the viewing audience, push the rocks to the far end and play back towards the windows.

  - d) A team may start a game with only 3 players providing the 4<sup>th</sup> player is named, and may finish the game with 3 players if necessary.
5. **Game delay/postponement:** A team that does not begin play at the designated time will be penalized as follows:
  - a) For the first full ten minutes that the offending team is late, the non-offending team will be awarded one point and one end. Upon arrival, the offending team must throw first.
  - b) For each of the following full 5 minutes that the offending team is late, the non-offending team will be awarded one point and one end. Upon arrival, the offending team must throw first.
